Profile — A driven and detail-oriented MCA graduate with a strong foundation in Java, Python, and full-stack web development. Passionate about solving complex problems and delivering high-quality, scalable solutions. Eager to contribute technical expertise and creative thinking to a dynamic team, driving innovation and achieving impactful results in a fast-paced, collaborative environment.

Technical Skills

Programming Languages:	Java, Python, C++
Frontend:	HTML5, CSS3, JavaScript, React.js, Tailwind CSS
Backend:	Django, Node.js, Express.js
Databases:	MySQL, PostgreSQL, MongoDB
Tools:	Git, GitHub, VS Code, Postman
Cloud:	Basic Google Cloud Platform

Projects

DevRooms (Django)

– Created a study-focused chat platform for students to create/join rooms, exchange messages, and share files.
– Implemented user authentication, real-time messaging, and an intuitive UI.
– Technologies: Python, Django, WebSockets, User Authentication, UI/UX Design, Database Management.

Quiz App (React + Node.js)

– Developed an interactive quiz app with dynamic question bank, scoring system, and user progress tracking.
– Designed a clean UI and responsive layout for various quiz topics.
– Technologies: React.js, Node.js, RESTful APIs, Responsive Design.

Extractify (React + Vite)

– Built a tool using React and Vite, integrated with OpenAI's GPT API, to extract keywords from text.
– Implemented an AI-powered solution for efficient key term identification.
– Technologies: React.js, Vite, OpenAI GPT API, AI Integration, UI/UX Design.

Education

Aligarh Muslim University   **Aligarh, India**
Master of Computer Application   *Expected 2025*

– Relevant Coursework: Advanced Algorithms, Database Systems, Web Development, AI & Machine Learning
– Current CGPA: 7.6/10.00
– Participating in coding competitions and hackathons to enhance problem-solving skills

Aligarh Muslim University   **Aligarh, India**
Bachelor of Science   *2022*

– CGPA: 7.67/10.00
– Developed strong analytical and research skills applicable to computer science

Certifications & Additional Skills

Meta Front-End:	Coursera Certificate
Google Cloud Labs:	Completed Labs of Google Cloud Study Jams - Certification Link
LeetCode:	LeetCode Profile
GeeksForGeeks:	GFG Profile
Soft Skills:	Strong problem-solving, teamwork, and communication skills

Languages

Fluent:	English, Hindi, Urdu
